

Dewmar International BMC, Inc. Dismissed from Texas Lawsuit Filed by Innovative Beverage Group

June 3, 2012 – Dewmar International BMC, Inc. (OTCBB: DEWM) is pleased to announce that it has been dismissed from the Texas civil lawsuit styled Cause No: 2009-37110; *Innovative Beverage Group, Inc. vs. Unique Beverage Group, LLC, Et al.*; In the 61st Judicial District Court, Harris County Texas, of all allegations asserted by Plaintiff Innovative Beverage Group, Inc. against Dewmar International BMC, Inc. However, Dewmar’s counter-claim against Innovative (Pink Sheets: IBGH) regarding a number of complaints is still active and is expected to soon be heard in court.

“We are ecstatic by the outcome of this matter. We have consistently maintained that Innovative Beverage Group, Inc.’s claims were frivolous, and this outcome supports our strongly held conclusion. The skillful and creative legal team of Daniel Williams & Associates, PLLC sought justice – and justice prevailed!” says Marco Moran, CEO of Dewmar International BMC, Inc.

The battle for who is King of the Relaxation Beverage Brands continues. One heated match that has been in the trenches since 2010 has been between Lean Slow Motion Potion™ and drank™. Lean creator and CEO, Dr. Marco Moran states that the full truth about the circumstances surrounding the early successes and ultimate downfall and demise of drank™ will soon be exposed as pending litigations come to a head this upcoming summer. “Things are looking very positive for our Company; patience is a virtue in this seemingly dog-eat-dog industry. I simply wish that Companies would play fair and just let the best brand win the hearts of consumers.” All too often, those Companies with inferior brands seemingly choose to divert to less than honest tactics in an attempt to slow the momentum of newcomers to the industry as opposed to focusing their efforts on gaining continuous support of new customers for their own brand.

Dewmar International BMC, Inc. is an American based new product development, manufacturing and brand management company. Dewmar International BMC Inc.’s primary business strategy has been in creating exceptionally high profit-margin functional products for significant niche consumer markets after observing both their long-term cultural trends and relative social buying habits. The Company’s flagship product, *Lean Slow Motion Potion*®, is rated as one of the top 3 national selling relaxation beverages of the purported 50 relaxation brands that are currently available on the market.
