## **Dewmar International BMC, Inc. Announces Successful Caribbean Trade Mission**

HOUSTON, TX--(Marketwired - May 30, 2013) - Dewmar International BMC, Inc. (OTCBB: [DEWM](#)) (OTCQB: [DEWM](#)) announces that it had a successful trade mission to the Caribbean in conjunction with the Mississippi Development Authority (MDA). Dewmar International staff met with six (6) major distributors in San Juan, Puerto Rico; five (5) major distributors/brokers in Santo Domingo, Dominican Republic and four (4) major distributors/manufacturers in Port-Au-Prince, Haiti.

"We received a very good response from all of the distributors regarding their great interest to sale and promotion our brand not only in their respective markets but throughout the entire Caribbean region," said, Dr. Marco Moran, President and CEO of Dewmar International. The Company actually received a purchase order and was wired payment for a container load of product during its first day of the trip in Puerto Rico.

Dewmar International is currently working diligently to solidify distribution agreements with several of the top-notch distributors that were hand selected with a concerted effort between the MDA, the Global Business Matchmaking affiliate, very knowledgeable business interpreters and the U.S. Embassy in each country. Dr. Moran states, "Contemplating on making the correct decision between the top 4 or 5 distributors in a country competing to gain access to your brand for national or island-wide distribution is a good dilemma to have."

Although one of Dewmar International's top goals for 2013 is to expand its international beverage distribution territories, the Company will proceed cautiously by assuring that all of its trademarks are properly protected by each country's legal system. "We have received 3 purchase orders thus far totaling just over six figures in potential sales since our brief trade mission to the Caribbean," said Dr. Moran. "We have profited greatly from the resources invested on this project and I look forward to continuing to maximize profitability through similar joint trade mission efforts in the near future," he continues.

### **About Dewmar International BMC, Inc.**

Dewmar International BMC, Inc. is a U.S. based new product development, manufacturing and brand management company that has been in existence since 2003. Dewmar's primary business strategy has been in creating exceptionally high profit margin functional foods and beverages. The Company's flagship product, *Lean Slow Motion Potion*®, whose three flavors are Yella, Purp and Easta Pink, is rated as one of the top 3 national selling relaxation beverages of the purported 50 plus relaxation brands that are currently available in the U.S. market. The company has offices in Clinton, MS; Las Vegas, NV and Houston, TX.
