**STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS**

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy and information statements with respect to two or more stockholders sharing the same address by delivering a single proxy or information statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy and information materials, delivering a single proxy or information statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they are or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy or information statement, or if you currently receive multiple proxy or information statements and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Dewmar International BMC, Inc., 132 E. Northside Drive, Suite C, Clinton, MS 39056 Phone: (601) 488-4360.
